

Request for SSH access from outside PSI

In exceptional cases, AIT may permit also external persons to access the PSI IT resources by means of SSH. The SSH access may be used only for the completion of the task declared below. Any other use and/or passing on this access information to third persons is strictly forbidden.

In addition, the directive "Usage and Monitoring of EDP Resources at PSI" (AW-95-06-01) applies. Failure to comply with these regulations will lead to an immediate withdrawal of access authorization.

PSI Supervisor/Contact Person:

External Person/Company:

E-Mail (external Person):

Cell Phone (Natel)

SSH Access required until (max. 1 year):

Justification (obligatory):
.....
.....

We the undersigned declare that we are in agreement with the fact that

- We have read and understood the PSI (<http://ait.web.psi.ch/regulations>) regulations.
- In the event of any breach of these regulations, AIT reserves the right to immediately close this access without warning.
- We must inform AIT immediately if this access is no longer required.
