PSI Career Mail

PSI Career Center – Training. Career. Happiness.

Dear all

I am happy to send you the July edition of the PSI career mail.

This time, the spotlight is on an outlook on the services offered by PSI education and career center to allow you planning accordingly during the summer break.

PSI **career events** will be back – mostly still in virtual format – after the summer break, so check the [website](#) from time to time to stay tuned.

Enjoy reading and have a nice summer,
Yvonne

Spotlight on...

PSI Education & Career Center: Services

The PSI Education Centre and the PSI Career Centre both focus on the personal and professional development of PSI employees. In the case of the Education Centre, the safe handling of radiating material and X-rays by PSI internal and external persons is added.

In the area of personal development, the Education Centre and the Career Centre offer the following opportunities, among others:

- [Video tutorial](#) on CV writing
- Personal [counselling sessions](#) on career planning and search strategies
- [self-reflection](#) on strengths and development areas ("[BIP](#)" test)
- Courses in transferable/soft skills such as
 - [Writing grant proposals](#)

- [Preparing conference posters](#)
- [Confident demeanor in presentations](#)
- [Be strong in dialogues](#)

(PSI) Career Events – learning, networking, fun...
