

Molten Salt Reactor Workshop at PSI

Designs, Diversity, Safety, Sustainability

PSI Auditorium, 24. January 2017, afternoon

In November 2015 Switzerland joined the GIF MSR activities and the upcoming 23rd GIF MSR PSSC meeting will be hosted by Paul Scherrer Institute, the Swiss implementing agent.

At this occasion an MSR workshop dedicated to the national projects of the GIF MSR partners will be held.

It will include the country programs of China, EU, France, Russia, USA, and the motivation and foreseen project of Australia and Switzerland.
